

2019 Lone Star PV Summer Competition Schedule

Competitions that are open to ages 18 and under are labeled “Youth,” open to all ages are labeled “All-Comers,” and open to age 30 and above are labeled “Masters.”

For youth (age 18 and under), 3 organizations sponsor summer track meets: USA Track & Field (USATF), Amateur Athletic Union (AAU), and Texas Amateur Athletic Federation (TAAF). Participation in any events sponsored by these organizations require that you purchase an individual annual membership in that respective organization, or belong to a track club (not a school and not Lone Star PV) that enters you into these events such as the New Braunfels Rapids or Buda Bolts or Hill Country Comets. If you're only interested in pole vaulting and not doing other events, then you would only need an unattached membership.
